

# New Wilderness and Remote First Aid Course Releasing February 25

- Program reviewed and supported by the American Camp Association and the American Canoe Association
- Based on the Boy Scouts of America *Wilderness First Aid Curriculum and Doctrine Guidelines*
- Offers enhanced content and topics to meet OSHA's *Best Practices for Workplace First Aid Training Programs*

## **Train for Emergencies in Wilderness and Remote Environments**

An ideal offering for American Canoe Association instructors and other members, the new 16-hour American Red Cross Wilderness and Remote First Aid course is based on new Boy Scouts of America *Wilderness First Aid Curriculum and Doctrine Guidelines*. Course participants must be at least 14 years of age and possess current certification in adult CPR/AED.

## **Become a Wilderness and Remote First Aid Instructor**

Whether you are a current instructor in wilderness first aid, or you are interested in becoming an instructor for the new Red Cross course, we need you! Fill out a short form at <http://www.zoomerang.com/Survey/?p=WEB229RKHTVFJM> to receive information on the new program, including instructor training options.

## **Wilderness and Remote First Aid Topics:**

- Head (Brain), Neck and Spinal Injuries
- Hypothermia
- Allergies and Anaphylaxis
- Bone and Joint Injuries
- Wounds and Wound Infection
- Heat-Related Emergencies
- Altitude-Related Illnesses
